

Paradigm Imaging Group

Distributor of Large Format Scanning & Printing Solutions

888.221.7226(SCAN) or www.SCANTopia.com

COPYSystems

SCAN. PRINT. COPY

The complete SCAN, PRINT and COPY Solution that integrates scanners and printers together providing a flexible and fully integrated solution to carry-out large format scanning, copying and printing needs in just a few clicks!

Key Features:

- ➔ Scan-to-file, Scan-to-Copy, Scan-to-email
- ➔ Built-in scanner and printer support for all major brands in the market
- ➔ Various automatic modes to scan and copy more efficiently
- ➔ Integrated TWAIN driver enabling connection to external devices and applications
- ➔ Closed-loop calibration and color-management to guarantee outstanding image quality
- ➔ Import files in nested print-sets to manage even the largest print jobs
- ➔ Copy and RIP easily and fast in one concise layout
- ➔ Simple and powerful filter editor for optimal results even with difficult originals
- ➔ Parallel printing on multiple plotters and batch mode for non-stop productivity
- ➔ Cost-tracking with Excel data export function
